MEMORANDUM FOR THE RECORD

Morning Meeting of 29 May 1967

DD/I reported that work began at midnight on Walt Rostow's request concerning the Egyptian economic situation. He now has an outline in hand and is shooting for COB today for a completed draft. The Director asked him to check the outline with Rostow.

Godfrey briefed on the situations in the Middle East and Nigeria.

Allen for Carver reported that the Station has replied to the Headquarters cable of 26 May outlining the intelligence community's appraisal of North Vietnamese military intentions. The Station is in general agreement.

Parrott for Bross reported that the secretary of the President's Task Force on Government Reorganization is scheduled to meet with him this afternoon.

The Director asked the DD/I to show him a mock-up of the intended map display for the Director's Conference Room.
